*****CGI wishes all the students Eid Mubarak...!!!!!!!**

CGI is an institute with fifteen years of successful journey. In a span of 15 years, CIIS has consolidated its position in country's education world and has earned recognition of being the institute in the country offering some exclusive programs.

IELTS assistance is one of the advantages that have been offered to all the upcoming students. At present, a batch of 50 students is getting IELTS training through up-gradation classes. The students are taught all the basic rules and skills that are appropriate according to the all four modules with extra assistance in Reading and Listening. In addition, they are made clear with the basic rules of grammar that can help them to enhance their speaking as well as writing skills. The student's performance is judged during the mock tests that are conducted twice a month.

**Canada
Day July 1**

Every year on 1st July, Canada day is celebrated at CIIS. This year also the event was fully organized by the incoming Continental Institute for International Studies (CIIS) students with the help of Thea Jones, one of the Canadian faculties at CIIS, and Kelsey Elliott and Tobias Matthews, Canadian interns from Georgian College. In preparation for this event, students had the opportunity to learn about Canada's culture and traditions, and to demonstrate their creativity, teamwork, and leadership skills.
